Rural Guanacaste Pure & Simple

Casa Tranquila lives up to every bit of it's name. Located in the sleepy agricultural village of La Libertad, it's rural Guanacaste at it's best.

The 504m² home site has been segregated from a larger farm next door. Your neighbors are all dog lovers as the owners of the farm operate a not-for-profit that sponsors spaying/neutering services, community awareness, and finds homes for stray dogs and cats.

Casa Tranquila, La Libertad

that can also be purchased for \$65,000!

La Libertad is simultaneously on the edge of it all and in the middle of nowhere. The town of Sardinal with all of its amenities (clinics, farmacias, super markets, hardware stores, restaurants, Catholic church, etc.) is within a 5-minute drive. Tres Volcanes Golf Course is a 3-minute drive. The beaches of Playas del Coco and Playa Hermosa are only a 15-20 minute drive. And Liberia's International Airport (LIR) is only 30 minutes away!

Casita Tranquila is the closest you can get to living off the grid in peace and quiet while still being able to enjoy the convenience of nearby amenities, some great golf, and the world class beaches of Guanacaste. And if you have pets, it's a dream come true!
